

Quiz Instructions for Instructors

This entire week is dedicated to the two part in-class quiz. The first part of the quiz will be multiple choice. The second part will be a replit file with instructions. All of the questions on the test come from examples in video tutorials.

Instructions

1. **Cheat Sheet:** students are allowed to make a single-page (letter or A4), single-sided, handwritten cheat sheet for this quiz. (See week 6 for the activity they are given to create their cheat sheet).
2. **Multiple Choice Portion:** This is a 10 questions multiple choice quiz. Each student will be asked the same questions, but the order of all questions and answers is randomized for each student.
 - **Instructions for how to make a copy of the quiz:** <https://web.microsoftstream.com/video/190ca289-57ab-4248-ab45-a1f9e6e9dfae>
 - **Link to the quiz that you can duplicate**
3. **Replit Portion:** Each student needs to complete a live-coding portion in Replit. You need to make a copy of this replit for each student.
 - **Instructions for how to make a copy of the replit:** <https://web.microsoftstream.com/video/60839c78-5892-4a4d-883c-f1dde23c86cd>
 - **Link to the replit that you can duplicate**
 - **Answer Key (do not share with students):** <https://replit.com/join/jkogrlpkyd-merethom>
